Good food, some nice music, and good service. Options to eat outdoors or inside, lots of space! Had the lobster bisque soup, great with chunks of lobster. Also the fig, prosciutto and arugula pizza was so good, and had lots of the ingredients. [read more](#). What [1Dolma's W \(6 1 year ago on Google\)](#) doesn't like about Torino Restaurant And Bar:

Bar:

I'm sorry but the customer service was . Went on a date night with my husband and got a table where there were no silverwares napkins. Many staffs saw it but no one bothered to set up our table. I looked around people coming after us their table were all setup. I felt sooo bad. Felt like they were discriminating us or something. Had to ask for water napkins. And we were half way done with our food asked us if we want... [read more](#). Torino Restaurant And Bar from Hyannis is a good option for a bar if you want to have a cocktail after work and hang out with friends, Don't miss the chance to have the crispy and crunchy pizza, prepared fresh in an traditional way. But the undisputed highlight of this place is the delicious *Sushi such as Nigiri and Inside-Out*.
