Man that was freaking awesome. Great food and fast service. Read the reviews and got a little discouraged but damn! Tortas are the biggest I've ever seen in a while. Quesadillas are huge. [read more](#). What [User](#) doesn't like about Taqueria El Chilango:

We've been taco hopping around Fort Worth and a little disappointed with this location. The tacos (tripa, al pastor, suadero, asada) were all very greasy. After a few minutes the tacos felt heavy. If you decide to eat there be ready to break a little sweat because it's very hot in there. Women's restroom was not clean. The salsa was ok. Overall, the taco was nothing more than average.
