What [User](#) likes about Koma Sushi:

I was here for the Tuna Carving. Once was worth it. A second time would be a waste of money. The show was fun. They only served one piece of tuna at a time which was annoying. The chef serving us called every piece of tuna otoro and chutoro which they weren't. I lived within walking distance to the Tsukiji fish market in Central Tokyo so I had otoro and chutoro regularly so I know exactly what each piece was. Most of... [read more](#). Koma Sushi from Broad Channel prepares for you **fine sushi (e.g., Maki and Sashimi)**, as well as in many other variations, with fresh ingredients like fish, vegetables and meat.
