What [User](#) likes about D And G Jamaican Cuisine: this is my homestay of Jamaican eating place. I have tried a few others, but I am attached to these young and girls cuz, yes they are great! I have a few videos today from a chicken soup showdown with another Jamaican restaurant that is on my Facebook page. I don't have any photos I can think of now. next time I'm here, I'll be sure to get some photos! [read more](#). What [User](#) doesn't like about D And G Jamaican Cuisine: I just ordered the medium goat and a beef pattie. The pattie was one of the best I've had in Springfield in a while. Hot and fresh. I'm taking off one point and giving a 3 instead of 4 because my goat dinner was cold. The flavor was good, but rice, goat and cabbage were barely luke warn. There was a lot of rice and goat for the money. I would have liked a little more cabbage. Overall its a good value for the price. [read more](#).
