[User](#) likes about Meet Qin Noodle:

It is hard to believe they have such great authentic Chinese food, but rarely I see people step in to give it a try.

Guys, as a person who lived in China for many years, I really love the taste of the food here. [read more](#). As a visitor, you can use the WiFi of the place free of charge. What [User](#) doesn't like about Meet Qin Noodle:

The flavor was good however the noodles weren't as chewy as I've had in other places. That was what I was really hoping for. It was average and I wouldn't go out of the way for this. The protein portion was better than I've had in other places. The restaurant is fairly deep and there is a lot space inside. The server was indifferent to us. I think I did most of the talking to order and I paid at the counter. There isn... [read more](#).
