Great subs, lots of combinations. Cheese is okay as long as you don't order the american cheese. Meat isn't bad quality, veggies are usually fresh when I go. My only suggestion for them would be to toss out ALL of the American cheese. I didn't think it would be the processed cheese singles when I ordered. It doesn't taste good, can really ruin a good sub. this place has terrible sandwiches. I decided to try it last week after a bad experience a year or so. I wish I didn't. I will not even come into the rudely hired. of them in an experience! in la crosse there are much better places to eat. [read more](#).
