Our server Frankie S. was absolutely fantastic! He made our dining experience an absolute treat! The food was really good. Rockne's has the BEST onion rings ever! The restaurant was really clean and the wait times were very reasonable. I love this restaurant and will definitely be coming back! [read more](#). What [User](#) doesn't like about Rockne's:

Just had lunch here and ordered the chicken strips with honey mustard. Ate three strips with the honey mustard and at the bottom of the mustard was something green. I did not have a salad or anything green on my plate. The waitress was sweet and I still tipped her. I honestly will not be back. This used to be my go to for lunch. [read more](#). If you're hungry for some *tasty South American culinary arts*, this is the place to be: tasty meals, cooked with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu. Here, the **barbecue** is freshly cooked on an open flame. When you're not so hungry, you can just treat yourself to one of the fine sandwiches, a small salad or another snack, and you can try fine American meals like Burger or Barbecue.
