On this webpage, you can find the **complete menu** of McAlister's Deli from Tuscaloosa. Currently, there are **32** meals and drinks available. McAlister's has received mixed reviews from customers, with some expressing discontent with the quality of the food and service, while others have had positive experiences. Some diners have noted issues with missing items in their to-go orders, watery soups, and unsatisfactory food quality. However, others have praised the exceptional service, friendly staff, and delicious menu items like the Chef Salad and Italian Sub. Customers have also commended the Northport location for excellent service, with some becoming repeat customers due to the overall positive dining experience. Overall, while there have been some negative experiences reported, McAlister's has shown improvement in recent years and has become a go-to favorite for some diners.
