For guests of the establishment, the catering service is also available, there are also delicious vegetarian dishes in the menu. The **Asian fusion cuisine** is likewise an important part of Dragon House. Anyone who finds the everyday and generally known menus too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients enjoy, Moreover, the menu of this **gastropub** offers a good and especially extensive diversity of beers from the region and the world that are definitely worth a try.
