What [Andie](#) likes about Nikko Teriyaki: This place is delicious! It is the best in west Seattle by far. Their house dressing is addictive and is great over the steamed rice. The only downfall is that it is small so seating is limited, worth it though!!!! My overall rating is 9.5 out of 10. [read more](#). What [Lex H \(peepin my sh\)](#) doesn't like about Nikko Teriyaki: The website stated to use the Uber eats menu for current reference but I was still charged more : we ordered a chicken teriyaki for myself and a tofu yakisoba for my vegetarian friend... and there was beef in their dish. Was hoping to make this our new go-to but unfortunately you've been warned.. surprising for the area [read more](#). With a large selection of fresh vegetables, fish and meat, the Nikko Teriyaki from Seattle prepares easy-to-digest, fine Japanese menus, On the menu there are also several **Asian meals**. Look forward to the enjoyment of fine vegetarian dishes, Furthermore, the customers love the creative combination of different dishes with new and partially experimental ingredients - a good example of successful Asian Fusion.
