An OK Mexican. I don't understand the negative reviews. I have frequented this restaruant a number of times personally and on business. The service has always been very good, the prices very reasonable and the food has been very good. The facility is modern, tastefully decorated and clean. I have returned and will continue to return again and again. [read more](#). What [Rafael Polo](#) doesn't like about El Toreo:

this restaurant has good food at a fair price. they have in the rule a few for a voucher in the valdosta daily times store booklet once in the month, which is an additional price. the service is also very good. It's certainly always an experience to be in a **typical saloon** and to eat; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a hearty burger, Many customers are particularly looking forward to the diverse, fine [Mexican](#) cuisine. In addition, they serve you *fine* [seafood](#) dishes.
