I've been eating here off and on for 15 years. Food is always good, service is always friendly and quick. I ordered a chicken burrito today and a single empanada. Both were good. Burrito had big chunks of meat and a good mix of rice, beans, and veggies. Red salsa was good with a Smokey chipotle flavor, but hot. Green was good but regular, pretty hot as well. [read more](#). Look forward to the **diverse, tasty Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), Also, there are oven-warm baked goods available, complemented by an array of both cold and hot drinks. The **spicy Spanish meals** from the kitchen of the restaurant are also recommendable, for breakfast they serve a varied breakfast here.
