What [Ryan Rhodes](#) likes about Judice Inn: Do one thing really well and you will succeed! Those words have never been more true when speaking about the Judice Inn. Come here for the best burger in town. No nonsense, no fries, just great burgers. Protip: If you are in a hurry, their website offers a quick and easy order to go function. [read more](#). What [Pauline Williams](#) doesn't like about Judice Inn:

The burgers are good. They could take it to the next level by toasting their buns. I love their no fries approach i just wish they had more chip variety. The prices of the drinks are a little high but I never had a flat soda from them. Not bad at all. Just not amazing. [read more](#). For the small hunger in between, Judice Inn from [Lafayette](#) offers **scrumptious sandwiches, small salads, and other small menus**, as well as cold and hot beverages, Naturally, you can't miss out on the tasty burgers, which are accompanied by sides like fries, salads, or wedges served. Here they also cook **South American** fresh seafood, meat, as well as beans and rice, and you can indulge in delicious American meals like *Burger or Barbecue*.
