Always love to visit Irish Pubs wherever I go. Saw the name of this place and said no-brainer . Very cool atmosphere, service was great, people around me were cordial. I had two pints of Guinness (always good) and had the flat iron steak for dinner. Cooked to perfection, Mac and cheese.....wow! I 'd drive an hour to go back there. [read more](#). What [T S](#) doesn't like about The Irish Pub & Grill:

This small pub has an issue with cleanliness. All the utensils at out table was filthy, asked for new ones and they too were filthy and had to clean ourselves. Restaurant and restrooms are very dirty. Service was good for only having 1 waitress for the whole pub customers. Food was good, great fish and chips, fries were about the best I've had. If the cleanliness is fixed here this could be a 5 star place to eat. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, Naturally, you should also taste the **fine burgers**, accompanied by sides like fries, salads, or wedges served.
