1. Time with Thai. I got the drunk noodles and my partner had curry. Drunken noodles were delicious, had a lot of vegetables and I ordered my with shrimps. The curry came into a bowl over a candle with a side of White rice. The food came out quickly. The visitors love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Thai Spice from Royersford, with its unconventional Asian fusion cuisine - the right mix of what you know meets the adventurous world of fusion cuisine, Thai dishes are prepared here with the famous spices and (fish-) sauces. **Dishes are prepared authentically in the Asian style**, Also, the guests of the establishment love the extensive selection of differing **coffee and tea specialities** that the establishment has to offer.
