The combination burrito was excellent and tasted just like I remembered it, however the ground beef taco was too crispy and did not have enough parmesan cheese on it. Overall the meal was great and I will be returning next time I am in the area. Also, I highly recommend trying the creme filled churros, they are amazing. [read more](#). What [Caesar Adams](#) doesn't like about Jimboy's Marketing.:

1st time with a poor experience here. Skimpy beef tacos. And the fish tacos were skimpy and the shell was chewy instead of crispy. Used to really enjoy the food here. What a bummer. Anticipate the **varied, tasty Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
