What [User](#) likes about Athena Diner II: Hubby and I went to Athena II diner after worship today because we were hungry. Since I work not far from there, it was time to try it out. The only problem I found was that it was cold in there. Other than that, the food was great, the music being played was great (I found it funny that 10 teenagers were sitting directly under a speaker in the back of the diner and since they weren't listening to the music, they wou...
