I never had a disappointing meal. You know that you get a taste of soul, healthy portions and a beautiful atmosphere. I moved out of the state, but always sure this place is on my list for a visit! [read more](#). The restaurant offers free WLAN for its visitors. What [v](#) doesn't like about Croaker's Spot:

This is the worst business ever, waited for over 45 min for someone to come take your drink order, they only came when we packed up to leave. The worse place ever, i will never enter the building again. [read more](#). Croaker's Spot from Petersburg is a good option for a bar if you want to have a cocktail after work and hang out with friends, You can also discover nice *South American* meals on the menu. In addition, they serve you tasty [seafood](#) menus, the guests love having the chance to watch the latest games or races on the big screen in this sports bar, while also enjoying food and drinks.
