Food was fair. Servers were preoccupied with their phones. Meal time was around 2:00 PM. There were probably a total of 8 customers including our table. For me the ambiance scored a 4 out of 10. It seemed like there was plenty staff to handle the amount of guests. Hopefully they can review this make changes that would make the customers want to return. No more to add. [read more](#). Get excited about the **diverse, fine Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), The *magical* desserts of the restaurant also shine not only on children's plates and in children's eyes.
