On this website, you can find the **complete [menu](#) of Captain Gregory's** from Alexandria. Currently, there are **16** menus and drinks up for grabs. Captain Gregory's is a mixed bag of experiences. While the ambience and cocktails are top-notch, the service can be lacking at times. The bar is cozy and funny, and the food is surprisingly good, but the prices are a bit high. Customers reported rude staff interactions and slow service. However, the speakeasy vibe is spot-on, with expert bartenders crafting delicious drinks. Reservations are required, and the small plates menu offers unique options. Despite some shortcomings, Captain Gregory's is a must-try spot for adventurous cocktail lovers.
