What [User](#) likes about Cooking With Flavour: I'm leaving a 5 star review to help balance out the people who weren't able to figure out this a catering business only. Sadly, people don't understand how important reviews are to small businesses and negative reviews can really impact their business. I wish this was a conventional restaurant, the pictures of the food look absolutely delicious. Good luck to the owner. [read more](#). The restaurant offers complimentary WiFi for its customers, And into the accessible rooms also come customers with wheelchairs or physical disabilities. What [Savvy Sue](#) doesn't like about Cooking With Flavour:

Most definitely food looks good and I want to try. But I have drove out there 3 times (not a short ride lol) and all 3 times they were closed when goggle said they were open! It's 2 different hours of operation on google and Apple Maps either way they were not open! [read more](#). An additional service offered by the restaurant is the *catering service* for customers, and you can look forward to the tasty classic seafood cuisine. There are also tasty American meals, for example, **burgers and grilled meat**, There are also nice **South American** cuisine in the menu.
