all mio I tried, was delicious. this review is for the vegan and vegetarian out there! they have a beautiful list of vegan qualified rolling. my fave is the inari roll (it is so good) they also have some vegan and vegetarian qualifying attizer. grateful is this place so close to home and that I can still enjoy sushi without the fish.( shown is the super veggie roll and the inari roll.) [read more](#). In pleasant weather you can even eat in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physical disabilities. What [User](#) doesn't like about Mio Sushi:

The food was great, but I lost my appetite very quickly after the service me and several other people received... It was quite pitiful to see the blonde white lady working the register get overwhelmed over a couple phone calls and people walking in to order at the same time. She has no right yelling at customers and having an attitude while your in your place of business. Especially as a white woman working at a ethn... [read more](#).
