**The Card of El Pulpo from Dallas** includes about 16 different dishes and drinks. On average, you pay for a dish / drink about \$14.5. What [Diana Yanez](#) likes about El Pulpo:

The food is the best, the service not so much I just went to pick up the food but the waitress are not very nice borderline rude and then a group of men came in and they were all smiles [read more](#). You can use the WLAN of the establishment free of charge. What [Cesar Velazquez](#) doesn't like about El Pulpo:

Food is halfway decent and overpriced . Music is way too loud . My waiter could barely hear me . Can't even converse with your group or date without shouting out loud . So annoying [read more](#). Anticipate the **varied, scrumptious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), and you may look forward to the delicious typical seafood cuisine.
