What User doesn't like about Pearl Lian:

1/10/24 My family and I was very happy to try the food at this restaurant, I ordered the Crab Ragoon and the General Tos shrimp my daughter had the moneybag and shrimp tempura roll, the hostess were very friendly, clean establishment but the disappointment came when I saw the cook put his fingers in the food to taste it as he was cooking, not a good thing. I'm not sure if it was his food or not but I felt very disappointed. With a lot of freshly harvested vegetables, fish and meat, the Pearl Lian from Duluth prepares easy-to-digest, fine Japanese menus, The successful fusion of different dishes with fresh and partially daring products is highly valued by the customers - a good example of Asian Fusion. No matter the occasion - an event - the in-house catering makes it easy to enjoy the food from Pearl Lian at home, tasty particularly are the **Sashimi** and delicacies like Te-Maki that this restaurant is known for.
