Even the fries had some kickass seasoning! The building is a little run down and connected to a casino. Ample parking with truck parking! Will definitely be back! [read more](#). What [Erma Antwine](#) doesn't like about Sam's Southern Eatery:

it was ok but they are NOT giving you what you pay for. they are ripping folks off by serving basa in place of catfish, breading was a little too salty for my taste and the ramalode left a lot to be desired . Now that's catfish in the photo that I fried. I was visiting family in Shreveport. I'm a cook and know they are cheating their customers. next time you purchase catfish from them compare it to my catfish photo. [read more](#).
