Great salad selection. Built my own using their online menu. Everything was ready to pick up when I arrived 15 min later. The salad was big enough for two lunches. Yum. [read more](#). In beautiful weather you can even be served in the outdoor area, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [Juli M](#) doesn't like about Mixt:

I was charged \$15.41 (excluding tip) for two scoops of edamame, one scoop of blue cheese, and two scoops of pumpkin seeds. I do not eat lettuce and I did not order a salad. I should have been charged \$1.00 per item. I was charged for a salad but only ordered toppings. Please refund the charges for salad that I didn't order. Won't go to a mixt again. [read more](#). If you're hungry some **spicy South American gastronomy**, you're in the right place: tasty menus, prepared with fish, sea creatures, and meat, but also **corn, beans, and potatoes** are on the menu, The light and healthy dishes in the list of specialties are also among the favorites of the customers. You have a celebration and want to enjoy the food at your place? With the in-house *catering service*, that's no problem, and you can try delicious American menus like Burger or Barbecue.
