What [Wesley Barnhart](#) doesn't like about O'maininn's Pub And Grille:

Went in around 9pm on a Friday because the place we really wanted to go was closed. The food was mediocre, at best, and the band was so loud I couldn't even hear my fellow diners. If you're desiring some **zesty South American cuisine**, you've come to the right place: tasty meals, prepared with fish, seafood, and meat, though *corn, beans, and potatoes* are also on the menu, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Without doubt, the right drink enhances every meal; with this thought in mind, this gastropub offers a rich selection of tasty and regional alcoholic beverages like beer or wine, and you have the opportunity to try scrumptious American dishes like Burger or Barbecue.
