Boondocks Diner:

Yum! We ate here today and it was amazing! one of the best food places we stopped at during our trip to SD. The two girls working the food area were absolutely awesome. The lady running the gift shop next door is also super friendly! Next time I come to SD I will go out of my way to eat here. Try the chicken salad croissant and fried pickles! [read more](#). When the weather conditions is pleasant you can also eat and drink outside. The chance to enjoy and feel like you're in Hollywood; that's doable in this **charming decorated diner**, You'll find delicious **South American** cuisine also in the menu. Moreover, there are delicious American meals, such as burgers and grilled meat, Of course, you also have to try the *tasty burgers*, that come with sides like fries, salads, or wedges offered.
