What [User](#)

doesn't like about Makoto:

We were recommended by the family to come here, so we came to dinner and checked the menu on the website. The prices seemed decent and the different items in the menu looked good. We went to the restaurant the prices were very different and we were very disappointed. The [sushi](#) rice was too sticky and too vinegary.

The fish was not fresh and we did not taste our experience with the food. [read more](#).
