Salsarita's catered a banquet for us tonight and I was super impressed! ...impressed with the whole process! Brian was awesome to work, the prices were great AND the food was delicious! Everything tasted so fresh...and most importantly, there was plenty of it! Thank you all we were all very pleased! [read more](#). What [k goode](#) doesn't like about Salsarita's Fresh Mexican Grill:

1st time eating at Salsaritas. Needed a quick protein fix and i reviewed menu.. black beans, pinto beans and shrimp... ok love all 3 of those proteins and I could get a small order which is exactly what i needed. Im not a fan of the food. For me, not seasoned well and shrimp were chewy. I gave 2 star because the staff were nice. At Salsarita's Fresh Mexican Grill in High Point, tasty grilled food is freshly prepared on an open flame and garnished with fine sides, there are also tasty vegetarian meals on the menu. Even the *versatile, scrumptious Mexican cuisine*, traditionally cooked with corn, beans and chili, is very popular with the customers.
