Horrible experience. Microwaved food, terrible music, and extremely overpriced. Was told because I ordered my omelet without onions that i had to pay 22 instead of 16 after I got my check. This place is a scam. 50 bucks for a Walmart steak. Avoid this place like the plague. [read more](#). During a meal, a good drink is essential. In this [gastropub](#),

you not only get delicious dishes from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, The sugar-sweet desserts of the establishment also shine not only on children's plates and in children's eyes. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**, here they serve a **diverse brunch** in the morning.
