Loyal Chili customer, a less star, because from time to time the tables are dirty that we sit. I think that's because of the low lighting. If the chips and salsa are served warm, it would be the icing on the cake. We like the three for me. Comes with 1 drink, 1 appetizer and 1 Entree, we add cheesecake for \$2,49. You also have a shield-up club where we can get a free drink or chips and salsa free of charge [read more](#). What [User](#) doesn't like about Chili's Grill:
