The **menu of Jamba Juice** from Phoenix includes **15** meals. On average, *meals or drinks on [the card](#)* cost about \$4.0. The categories can be viewed on the menu below. What [User](#) likes about Jamba Juice:

I try to make it here for lunch, and the online order makes it so convenient for me to order on my phone before the time. My smoothie is ready in the fridge for me when I get there 10 minutes later! I'm not sure his name, but the guy who works there is always so friendly and really excited about his job on weekdays. It's great to have someone as excited as I am. [read more](#). What [LaffLess](#) doesn't like about Jamba Juice:

It was an alright juice place. Only problem was that the bobas that I got in my mango juice were not my favorite, and they were hard to suck. I enjoyed the juice, though. Not much to say about this place. [read more](#). Jamba Juice from Phoenix is the perfect place if you want to sample tasty American courses like burgers or barbecue, Inthemorning a delicious brunch is offered here. Finally, the establishment also offers a diversity of tasty meals that are absolutely worth a try, Especially the flavorful juices are highly appreciated by the visitors.
