What [Angela Davis](#) likes about Smallcakes:

It was great! I could smell the butter and cream when I walked through the door! I ordered a carrot cake cupcake that was beyond delicious! I will definitely return if I get a hankering for something sweet! [read more](#). What [Shane](#)

[Teller](#) doesn't like about Smallcakes:

Cupcakes are great. Customer service is not great but not awful. I 've been going there for years now and every time I walk in the girls working there just look at me and do not even say a word. Not even Hi, can I help you?! . I 've called the store about a million times over the years with questions and to this day no one has EVER answered the phone. I just keep going back only because of the cupcakes. [read more](#). For guests of the establishment, the **catering service** is also available.
