quite sure that they have forgotten to mix bananas with the açaí basic (pelé bowl), as it was icy and not creamy.

But the taste was still great and I love the recycling they do! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about Samba Rock Acai Cafe:

I've tried a lot of açaí (including in Brazil) and the texture of this one is just weird. It should have a smooth consistency, not pieces of shaved ice. The flavor wasn't bad, and the service was good. I just think you guys could blend the açaí better... I mean the bowl cost me \$18.... overpriced for the quality. [read more](#).
