The service here was top notch. We had 3 different employees to check for us and to assist us in our order during our dinner. We wanted to try something else and were very happy with the Chicken Parmigian [Pizza](#). It was amazing! It tasted just like Chicken Parmigian and the crust was perfectly baked. Would definitely recommend! [read more](#). In pleasant weather you can even eat in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physiological limitations. What [User](#) doesn't like about Gino's Pizzeria:

Be careful when you order! Double check you will be receiving what you expect. Disappointed is an understatement! I feel taken advantage of. Not only do I live literally DOORS down from them but they are charging for delivery AND adding in the tip before you even receive your food. \$30 I just paid for a pie with pepperonis the size of a quarter, literally! It would have been nice to be notified before buying this pie... [read more](#).
