During a meal, a good drink is essential. In this **gastropub**, you not only get delicious menus from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Most often, the burgers of this restaurant, which are among the highlights, are offered along with sides like fries, salads or wedges, The fine **sandwiches**, healthy salads and other snacks can be planned well as a snack.
