the name is little misleading as they have only three types of pho on their menu. there is also not a ton of variations in the beats. the place itself is sweet and has a beautiful terrace. it also looks as if they had a lot of other tasty options and their potsticker were delicious so that we are back to try their other things. [read more](#). With the comprehensive diversity of *coffee and tea specialties*, a visit to Pho City becomes even more attractive, there are also **tasty vegetarian menus** in the menu. It's precisely the freshness and lightness together with the typical spices that not only brings fine menus to the table, but also puts the guests into a pleasant holiday feeling temporarily, For a snack, you can also have the fine sandwiches, small salads and other snacks.
