The restaurant from Brooklyn offers **10** different *menus and drinks* on [the menu](#) at an average \$12.0. What [User](#) likes about My Grill:

The sandwiches are huge, I've only been through half, but it was great. Fast delivery, good prices. Not the first time I ordered is my last! Order via their website for 10% discount. Thank you guys for enjoying everything. [read more](#). What [User](#) doesn't like about My Grill:

Food is good but they always mess up the order with the special instructions and then it takes them forever to resend what they messed up. This has happened three times and by the time they correct what they messed up the food is cold! [read more](#). Look forward to the diverse, fine [Mexican](#) cuisine, traditionally prepared with corn, beans and chilies (hot peppers), Naturally, you can't miss out on the **tasty burgers**, which are accompanied by sides like fries, salads, or wedges served. Would you rather enjoy the food at home or on a special occasion like an event? Thanks to the in-house catering, that's no problem, The delicious sandwiches, healthy salads and other snacks are also suitable for a snack.
