What User likes about El Charro:

visit Dodge City, kansas. this is one of many Mexican style restaurants around, but it seemed easy to draw us. the service was excellent, the portions more than sufficient, and upright good. read more. What User doesn't like about El Charro:

too expensive I ordered a quesadilla provided it was a full teller, but they need to order page articles. it was loaded with tweepers .. the taste was not good. I had to keep remembering the waitress on serviettes. refilled. admitted, she was the only waitress on the side where they sat on us, but only eating was not good. read more. Get excited about the **diverse, tasty Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers).
