Poke is one of my favorite dishes to indulge when given the opportunity and Ahipoke had become a favorite of mine! They have wonderful selections for your poke bowls with all proteins and products looking and tasting fresh! Last week when I was in the two behind the counter working we're awesome! They were a huge help when it came to any questions I had and even gave me their own recommendations which I appreciated.... [read more](#).

The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations. What [User](#) doesn't like about Ahipoki Bowl:

I came with a friend who wanted to try this place. They had no salmon because of a possible salmonella outbreak. Regrettably how this is what I would normally order, but not a big deal. The reason why only one star is because I asked for the cheapest option and got only one swallow, but was calculated for three. The food wasn't very good anyway. [read more](#). If you're hungry some hot South American gastronomy, you're in the right place: exquisite dishes, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu,

Furthermore, the guests love the inventive combination of different meals with new and partially experimental products - a good example of successful **Asian Fusion**. No matter the occasion - a festival - the in-house catering makes it easy to enjoy the food from Ahipoki Bowl at home, Also, the drinks menu at this place is exceptional and offers a significant and varied assortment of both local and international beers, which are definitely worth a try.
