Cara was absolutely amazing with my orders. I usually have some complicated orders and even just abstract things like “stinky, lots of caffeine; cute” and she has worked wonders with not just base drinks but adding and such to make it just perfect. I just drive out of my way to go to this place because all my drinks have been made. [read more](#). The place also offers the possibility to sit outside and have something in beautiful weather, and there is complimentary WiFi. The rooms on site are accessible, and therefore no problem for clientele with wheelchairs or physical limitations. What [User](#) doesn't like about Starbucks:

Great design for parking and drive thru. Once your ride is congested, you are locked into your parking space unless you parked and walked in. Very difficult to move around. [read more](#). Perfectly pairing with the meals of the restaurant are the fresh and delicious **juices** on the drinks menu, The guests of the establishment also appreciate the large selection of differing **coffee and tea specialities** that the establishment has to offer.
