**The Card** of Bodega Pdx from Portland includes about **15** different menus and drinks. On average, you pay for a dish / drink about \$8.7. In the vibrant culinary landscape, this restaurant offers a mixed experience. While the sandwiches boast generous portions and appealing presentations, many patrons lament the disappointing bread, often likened to mass-produced options. The quality of ingredients has reportedly declined, particularly the meager meat and toppings in some orders. Despite these downsides, the eatery remains popular for its sides and clean environment. Dedicated service shines through, with options for special requests and online orders. While a few diners have encountered unsettling incidents, the overall sentiment suggests that this once-great spot has the potential to reclaim its former glory with improvements.
