2nd time I came here got Buffalo chicken wrap and asked for no blue cheese on it and had to be corrected. That wouldn't be so bad I get it things happen but the fact that I was looked at like I said something offensive and then didn't even get a simple sorry about that just upset me. Also the chicken cutlet is just warmed in a microwave hardly makes it worth 12 bucks. It was a nice dining area I'll give it that but I'll go to subway next time. If you're hungry for some tasty South American culinary arts, this is the place to be: tasty menus, prepared with *fish, seafood delicacies, and meat*, but also corn, beans, and potatoes are on the menu, A catering service offered by the restaurant allows you to eat the meals on-site or at the function.
