not to get the clearest system for payment or eating as they need to fill their bowl first, then pay before putting their food on the grill. I didn't get a warm reception because I'm used to other places that make the Mongolian grill, but I understand that the things have changed for the pandemic. signage is quite good overall, but something that explains that would help the unique type of payment for eating. I enjoy... [read more](#). What [User](#) doesn't like about Khans Mongolian Grill:

this place is so fundamental. they need to make their own teller and everything sits like buffet style, so when they are cut and have covid they are likely to get sick. they snore me because they don't typ. all they do is freeze your flesh. big deal!
