[more](#). What [User](#) doesn't like about Five Guys:

I'm going downhill. Recently they changed their fries to contain additional thick, which are either undercooked at the end or outweigh the normal good frits at the end. along with these portion sizes have gone down, a regular frit used to fill a cup with much extra in the bag, now they only get what fits in the cup. Except that food quality is easily inconsistent when they go during peak times, there is a chance they... [read more](#).
