this place was amazing, especially for beginners! this was just our second time snowboarding and we loved that it was a good mix of because for us to practice different things. and the best part is that it was not as crowded as the 1st place we went so that we were actually in the position to practice without fear to slip into the people. [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather. What [User](#) doesn't

like about Timberline Summit Pass:

great, CHEAP option for beginners skiers. the pists are very mellow, but they cannot beat the price. edited to add: avoid lessons here! my wife and I took a lection from the head of the ski school and were horrified what we saw. it would have been good for us as an adult, but the 5 children also in the lection had a very hard time. the teacher was not loud enough, gave no clear instruction, could not manage more than...
