This place is the best BBQ I've had in a long time. I've tried other local BBQ but none compares to the smoke flavor here. The side dishes are awesome also. If u r in or close to Guthrie u have to stop and eat at Red Top BBQ! [read more](#). As a customer, you can use the WiFi of the restaurant free of charge. What [User](#) doesn't like about Red Top Barbecue:

the huh was not done, the maisbrot was really dry the torte was out of the tee was the only thing I should have bought if they want good food, they go down the road to the Mexican restraurant re-open friendly staff [read more](#). Get excited about the *diverse, tasty Mexican cuisine*, which is traditionally cooked with corn, beans and chilies (hot peppers), The barbecue is freshly prepared here on an open flame. Moreover, there are scrumptious American menus, such as burgers and grilled meat, They also present nice South American cuisine to you on the menu.
