A complete [menu](#) of Bada Story, Fort Lee from Fort Lee covering all 15 meals and drinks can be found here on the card. This restaurant earns praise for its attentive service and high-quality sushi, with fresh ingredients and a reliable lunch special. However, some recent diners noted a decline in food quality; loose sushi rolls and old salad greens detracted from the experience. The ambiance shows signs of wear, prompting suggestions for updates. While one reviewer highlighted the vibrant flavors of Korean [seafood](#), others reported a lackluster atmosphere and inattentive staff, raising concerns about cleanliness. Overall, while the menu offers mouthwatering dishes, consistency in quality and service appears to be an ongoing challenge.
