high time cake tasting! this was a wonderful experience, cupcakes in all different flavors and we had help from this wonderful couple we just met! the bake works are very nice people and easy to work! [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities. What

[User](#) doesn't like about The Bake Works:

I needed a custom cake for my mothers 60th birthday and since we were celebrating it in AC, I needed to find a bakery close by since we live in NY. I stumbled upon this gem from goggle search and I'm go glad I did! The cake was amazing! It came out exactly how I wanted, and they were reasonably priced as well! The cake itself was moist, not at all dry, and tasted amazing! I ordered the Almond flavor cake with their r... [read more](#). Are you looking for delicious delights? In The Bake Works you will find magical desserts that will certainly quench your cravings.
